Red Box International & Red Box Engineering Environmental Policy

Red Box International & Red Box Engineering is committed to protecting the environment of the Earth.

To minimise environmental impacts concerning our activities, products and services, we shall:

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

The Company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.
